

Are you a qualified and patient-focused **Optometrist** seeking a permanent role in **Kent**? We are recruiting a dedicated **Optometrist** to join our client practice in Kent. This opportunity offers both **full-time** and **part-time** positions.

In this role, you will be responsible for conducting comprehensive eye examinations, diagnosing vision problems, and providing tailored advice and treatments to patients. You will work alongside a fully trained optical assistant who will set up the clinic and complete all paperwork, as well as collaborate with dispensing opticians and support staff to ensure patients receive the highest standard of care.

### **Job Specification**

- Conduct thorough eye examinations to assess vision and detect eye conditions.
- Diagnose and manage eye health issues, including prescribing spectacles and contact lenses.
- Advise patients on vision correction, eye health, and preventative care.
- Work collaboratively with optical assistants, dispensing opticians, and technicians to ensure accurate and efficient service.
- Maintain accurate patient records and adhere to professional and regulatory standards.
- Educate patients on lens options, treatments, and lifestyle considerations for eye health.

### **Job Requirements**

- Qualified Optometrist registered with the General Optical Council (GOC).
- Excellent communication and interpersonal skills.
- Detail-oriented, with strong organisational and time-management abilities.
- Commitment to delivering high-quality patient care.

### **Why work with us?**

- As a registered member of our agency, you will be among the first to receive notifications of upcoming assignments.
- Fully online registration and onboarding process.
- Working with your dedicated consultants.
- Up to £200 referral bonus [T&C apply].

- Clinical governance and revalidation support.
- Free CV review and consultation.
- Steady requirement of locum professionals throughout the year
- The convenience of our user-friendly app enables you to effortlessly schedule shifts while on the move.

If you consider yourself to have a disability or require reasonable adjustment during the recruitment, interview, onboarding, or within the workplace, inform your Verovian consultant as soon as you can. This will enable us to support you throughout your application and employment.

### **REFER A FRIEND**

Are you aware of referring to bonuses? All you need to do is refer to the Verovian Optical Agency today to get the referring rewards. The exciting part is the more you refer, the more you earn, and save lives. Visit our website for more information.
